

JOHN ORR ENGINEERING SCHOOL OF SPECIALISATION

PROVIDING QUALITY, INNOVATIVE EDUCATION IN A SAFE AND SUPPORTIVE ENVIRONMENT
TO EQUIP OUR LEARNERS WITH TECHNICAL, ENTREPRENEURIAL AND LIFE SKILLS FOR A
SUCCESSFUL FUTURE.

PARENTS INFORMATION LETTER

Date: 09 January, 2026

Dear Parents and Learners

RE: WELCOME TO THE 2026 ACADEMIC YEAR

The management and staff of John Orr Engineering School of Specialisation extend a warm welcome to all parents and learners as we begin the 2026 academic year.

We wish to inform parents and learners that the school will officially **open for learners on Wednesday, 14 January 2026**. The school day will commence at **07:30** and conclude at **14:10**. All learners are expected to report to school **on time** to ensure a smooth and productive start to the academic programme.

Learners are reminded that they must report to school in full school uniform. Hair, nails, and overall appearance must strictly comply with the school's Code of Conduct. Learners who arrive at school with coloured hair, hair length and nails beyond the acceptable standard, or any form of non-compliance with uniform and appearance regulations will be sent back home immediately to correct their appearance before being allowed to resume attendance.

Parents and learners are further reminded that learners who were unable to collect their **2025 reports due to outstanding school fees or unreturned textbooks** must ensure that these matters are resolved **before learners are placed in their classrooms**. No learner will be allocated to a class until all outstanding obligations have been addressed.

We kindly request the full cooperation of parents and learners in upholding the standards and policies of the school, as these are essential in maintaining discipline, order, and an environment conducive to teaching and learning.

On behalf of the School Governing Body, management, and staff, I wish all learners, educators, and parents a successful, disciplined, and productive 2026 academic year.

Yours sincerely

MM Mutsharini
Principal
John Orr Engineering School of Specialisation
